

Literature Connections!

Have you seen the Literature Connections under Teach → New Lesson? Create differentiated, engaging lessons to complement an amazing selection of commonly taught literature! Students will each receive a specified number of activities to complete based on their Profile results – you get to set the range. Let's get reading!!

The screenshot shows the 'Teach' tab in a software interface. The 'Lessons' section is active, and the 'New Lesson' button is highlighted. A search filter dropdown menu is open, displaying various subject options. The 'Literature Connections' option is selected and highlighted in blue.

Tell us what you're teaching, and we'll find resources that match each student.
