

~ Investigation Topic Shopping ~

Name: _____

Date: _____

Selecting the topic for your independent investigation is very important. You want to choose a topic that excites you and keeps you interested in learning more about it. As you **SHOP FOR A TOPIC**, list the topics you are **YES** definitely interested in, **MAYBE** would consider, or **NO WAY** it's not for you. Use the Renzulli Learning Enrichment Activities and other sources provided by your teacher.

YES	MAYBE	NO

So you've zeroed in on a general topic? Use your Enrichment Resources and Scavenger Hunt to help you narrow down your topic. Try making a concept map - a web - on the back of this page to breakdown the topic into many possible subtopics.
